

Summer Ignite 2019

Fire Service Classes for NFPA 1403 Standard

Over the summer of 2019, A-B Tech's Fire Service Continuing Education is offering state certification classes needed to meet the NFPA 1403 standard for firefighting. Students must be at least 16 years of age. Some students may qualify for free classes.

*For more information, especially for individual class times, contact Tommy Brooks at **828-782-2139** or **thomasmbrooks@abtech.edu***

Anyone who is a member of a fire department is fee exempt.
